## **BUSINESS & OCCUPATION TAX OVERVIEW**

The City of Charleston broadly imposes a Business and Occupation ("B&O") Privilege Tax upon all persons for the act or privilege of engaging in business activities within the City of Charleston. The term "business" shall include all activities engaged in or caused to be engaged in with the object of gain or economic benefit, either direct or indirect. In determining whether a business is engaged in for "direct or indirect economic gain or benefit", the lack of profit suffered in said activity is not relevant; nor is it material that the business was engaged in without profit as the primary motivation.

B&O Tax is measured by the application of rates against values of products, gross proceeds of sale, or gross income of the business, as the case may be. All persons engaging in business activities in the City of Charleston are subject to the B&O Tax unless specifically exempted by Chapter 110, Article II, Section 110-63 of the Code of the City of Charleston.

Certain occupations and business activities are classified, and the classifications are significant inasmuch as the tax liability varies because of the different rates established for the types of business activities engaged in by the taxpayer. The business activity usually determines the taxable classification, and where different business activities are conducted, the taxpayer is liable for tax under each taxable classification involved. If you are uncertain as to your business activity or how your business should properly calculate the tax, please contact our office.

For individuals or businesses that perform residential or commercial contracting activities, the Office of the City Collector has available, upon request, a *Construction Projects Handbook*. This handbook details the B&O Tax responsibilities of individuals in the construction industry.

In addition to registering with the Office of City Collector, all contractors must also register with the City of Charleston Building Department. If you have any questions or concerns regarding your contractor registering status, please contact the Building Department at (304)348-6833.

## CITY SERVICE FEE OVERVIEW

The City of Charleston imposes a three dollar (\$3.00) per week City Service Fee ("CSF") upon all full-time/part-time employees and self-employed individuals who regularly report to work at a physical location, or work from home within the City of Charleston. Employers are required to withhold three dollars per week from their employees' pay. The fee is then remitted quarterly to the Office of the City Collector. Self-employed individuals will remit the fee on their own. CSF payments not received within one month following the end of the calendar quarter will be subject to penalties and interest.

If you work two jobs in Charleston, and the fee is being deducted by both of your employers, simply complete a *Prior Payment Form* (CSF-1). Fill out area one (1) and sign area two (2). One of your employers must complete area three (3) and sign area four (4). Once the completed form is signed, it should then be given to your second employer and retained by them. *THE PRIOR PAYMENT FORM SHOULD NOT BE SENT TO THE OFFICE OF CITY COLLECTOR*.

If the fee was withheld from your pay in error, simply complete *a Refund Claim Form* (CSF-5), attach a copy of your paystub(s) or some other documentation showing the fee was deducted by mistake, and return to the Office of the City the Collector. This form must be received within thirty (30) days following the receipt of payment from your employer.

If your business is exempt from our Municipal Business & Occupation Tax but maintains an office/location in Charleston, you are still required to withhold the fee from your employees.
