An allocation of nearly \$1.8 million may be available to the City for CDBG and HOME activities. The City will allocate some of its CDBG funds to non-profit agencies for activities that benefit low and moderate-income people. This is a competitive process and interested agencies must complete and submit an application. Starting December 1, 2022, please visit the City's website at: <https://www.charlestonwv.gov/government/city-departments/moecd> to access the 2023-2024 CDBG Application, cover page and fact sheet. Or call 304-348-8035 to have an application sent by email.

A CDBG Application Workshop will be held on December 15, 2022 at 1 pm at the City Service Center, which is located at 915 Quarrier Street, Charleston, West Virginia, 25301.

Completed applications can be mailed to the address below or emailed to Paige.Hill@cityofcharleston.org and must be received no later than 4:00 pm on Tuesday, January 31, 2023.

MOECD will publish the City's proposed 2023-2024 Annual Action Plan project list in March 2023 and make the plan available for a 30-day comment and review period. The Finance Committee will discuss the proposed project list and City Council will take action on the plan on April 17, 2023. The Plan will be submitted to the U.S. Department of Housing and Urban Development on or about May 12, 2023.
