STARTING A NEW BUSINESS: WHERE DO I BEGIN?

The first step in starting a new business in the City of Charleston is to obtain a *Business Registration Application* from the Office of the City Collector. Completion of the *Business Registration Application* is required by all businesses/individuals engaged in business activities within the City of Charleston, irrespective of whether or not such persons maintains a permanent place of business in the City of Charleston.

After you acquire and complete your *Business Registration Application*, you must then obtain an inspection and approval for occupancy of the premises from the City of Charleston Planning/Zoning, Building and Fire Departments before your application can be processed by the Office of the City Collector. As the applicant, it is your responsibility to contact these departments. These departments will ensure your proposed business location is in compliance with city zoning ordinances, building codes, and fire safety regulations respectively.

Upon obtaining approval from the Planning/Zoning, Building and Fire Departments, you can return your application to our office. Please make certain all fields and questions are completed and answered, your application is signed, all required documentation (i.e. health permit, liquor license, bond) and the appropriate fee is included, if applicable. Incomplete applications will not be processed and returned to the applicant.

A *Business Registration Application* may require an annual fee, depending on the nature, location and classification of your business activity. If you are uncertain as to how your business activity should be classified, please contact our office. Once your application is received and processed, you will be issued an account number, and begin receiving quarterly *B&O Tax* and *CSF returns* through the mail.

BUSINESS & OCCUPATION TAX OVERVIEW

The City of Charleston broadly imposes a Business and Occupation (“B&O”) Privilege Tax upon all persons for the act or privilege of engaging in business activities within the City of Charleston. The term “business” shall include all activities engaged in or caused to be engaged in with the object of gain or economic benefit, either direct or indirect. In determining whether a business is engaged in for “direct or indirect economic gain or benefit”, the lack of profit suffered in said activity is not relevant; nor is it material that the business was engaged in without profit as the primary motivation.

B&O Tax is measured by the application of rates against values of products, gross proceeds of sale, or gross income of the business, as the case may be. All persons engaging in business activities in the City of Charleston are subject to the B&O Tax unless specifically exempted by Chapter 110, Article II, Section 110-63 of the Code of the City of Charleston.

Certain occupations and business activities are classified, and the classifications are significant inasmuch as the tax liability varies because of the different rates established for the types of business activities engaged in by the taxpayer. The business activity usually determines the taxable classification, and where different business activities are conducted, the taxpayer is liable for tax under each taxable classification involved. If you are uncertain as to your business activity or how your business should properly calculate the tax, please contact our office.

For individuals or businesses that perform residential or commercial contracting activities, the Office of the City Collector has available, upon request, a [*Construction Projects Handbook*](#). This handbook details the B&O Tax responsibilities of individuals in the construction industry.

In addition to registering with the Office of City Collector, all contractors must also register with the City of Charleston Building Department. If you have any questions or concerns regarding your contractor registering status, please contact the Building Department at (304)348-6833.

Employers are required to withhold \$3.00 per week from their employees’ pay. The fee is then remitted quarterly to the Office of the City Collector. Self-employed individuals will remit the fee quarterly or annually with the approval of the City Collector. CSF payments not postmarked within one month following the end of the reporting period will be subject to penalties and interest.

Once the form is completed, it should then be given to your secondary employer and retained by them. ***THE PRIOR PAYMENT FORM SHOULD NOT BE SENT TO THE OFFICE OF CITY COLLECTOR.***
