ENCROACHMENT AGREEMENT

This Encroachment Agreement ("Agreement") dated this _____ day of August, 2014, is between THE CITY OF CHARLESTON, a West Virginia Municipal Corporation ("Grantor") and Janet Runion, Richard Carpenter, and Kenneth Carpenter ("Grantees"). The following statements are a material part of this Agreement:

A. Grantor is the owner of the right-of-way indicated as Davis Circle Road (the "City's Right-of-Way") the in the map of survey prepared by Howard D. Brashear, P.E., dated May 10, 2010 (the "Map"), attached as Exhibit A to this Agreement.

B. Grantor and Grantees acknowledge that a very small portion, approximately three inches, of the garage (the "Encroachment") owned by the Grantees does and has since the building's construction in 1955 inadvertently encroached onto the City's Right-of-Way as shown on the Map. It is understood that the area of encroachment is part of a private residence located at 1902 Davis Circle, Charleston, West Virginia

C. Grantor and Grantee sought the opinion of experienced local real estate broker Jay Goldman, president of Goldman Associates, Inc., as to the fair market value of the area where the Encroachment is located. By letter dated June 12, 2014, attached hereto as Exhibit B, Mr. Goldman advised that the small encroachment area had nominal value of \$1.00.

D. Grantor and Grantees desire to establish certain rights with respect to the maintenance of the Encroachment on the City's Right-of-Way.

THEREFORE, in consideration of the terms of the Agreement and other good and valuable consideration, the receipt and sufficiency of which are acknowledged, the following grants, agreements, covenants and restrictions are made:

1. The recitals set forth above are incorporated herein as if fully re-written.
2. Grantor consents to and agrees to allow the Encroachment to remain on the City's Right-of-Way, under the conditions set forth in the following paragraphs.
3. In the event that the Encroachment ceases to be an appurtenance to the structure located at 1902 Davis Circle, except in the case of replacement repairs, or if the Encroachment conflict in any with the use or development of Grantor's property determined by Grantor's City Council to be of exceptional public importance, the Agreement shall cease, terminate, and be of no further effect, and Grantees shall, upon receiving written notice from Grantor, immediately and at Grantees' expense, remove the Encroachment and any and all facilities from the City's Right-of-Way.
4. In consideration of the Grantor allowing the Encroachment to exist on the City's Right-of-Way, the Grantees agree to waive any claim or right the Grantees may have to maintain the Encroachment on the City's Right-of-Way, other than as specified in this Agreement.

5. Grantees will keep the Encroachment in good maintenance and repair at their sole cost and expense.
6. Grantees will give written notice to Grantor at least ten (10) days before beginning any work in the Encroachment area, which notice will specify the work to be performed and a date when the work will be completed. Grantees will use their best efforts to complete the work by that date.
7. Unless otherwise agreed in writing, immediately after Grantees complete any work in the Encroachment area, Grantees will restore the Encroachment area to the same or better condition as it was in before Grantees began the work and to a safe condition, and will remove all of their equipment, tools, trash and debris from the Encroachment area.
8. If any damage occurs to the City's Property or any improvements thereon, including, but not limited to the roadway, arising out of, related to, or as a consequence of any of Grantees' work in, or failure to maintain, the Encroachment area, Grantor promptly will notify Grantees in writing of the damage. Unless otherwise agreed by the parties, Grantees will repair the damage (or commence and diligently pursue repairing the damage) within thirty (30) days after receipt of Grantor's notice.
9. If Grantees default under any provision of this Agreement, in addition to any other remedies available in law or equity, Grantor will be entitled to: 1) terminate this Agreement on written notice; 2) obtain specific performance or any other appropriate equitable relief against Grantees; and/or 3) in the case of incomplete repairs or failure to maintain, Grantor may complete the repairs or maintenance and Grantees shall be obligated to reimburse Grantor for the cost and expense of completing the repairs or maintenance within fifteen (15) days of receipt of Grantor's invoice for such costs and expenses. If Grantees, their successors or assigns, fails to reimburse Grantor within such fifteen (15) days, interest shall begin to accrue at the prime rate listed in the Wall street Journal from time to time, plus two percent (2%) (not to exceed the maximum rate of interest allowed by law) from the date of the expenditure to the date of payment in full.
10. Grantees acknowledges that Grantees shall be solely liable for any and all claims, liabilities and/or costs for injuries to any person and damage to any property arising out of or directly related in any way to Grantees' work in or failure to maintain and/or use of the Encroachment area and Grantees shall indemnify, defend and hold harmless Grantor from any such claim and/or liability; provided, Grantees shall not be liable for the sole negligence, intentional or unlawful acts or omissions of Grantor and, as between the parties to this Agreement, Grantor acknowledges its liability therefore. The acknowledgments set forth herein are not intended to and shall not create any rights to the public or to any third party.
11. If Grantees fail to maintain the Encroachment in a good and safe condition, Grantor shall have the right, but not the obligation, to remove the Encroachment and Grantees shall be

obligated to reimburse Grantor for the cost and expense of removing the Encroachment within fifteen (15) days of receipt of Grantor's invoice for such costs and expenses. If Grantees, their successors or assigns, fail to reimburse Grantor with such fifteen (15) days, interest shall begin to accrue at the prime rate listed in the Wall Street Journal from time to time, plus two percent (2%) (not to exceed the maximum rate of interest allowed by law) from the date of the expenditure to the date of payment in full.

12. Every notice under this Agreement shall be given only by certified or registered mail, return receipt requested and shall be deemed given when the letter is deposited in the United States Mail, postage prepaid and directed to the Grantor at City Engineer, City of Charleston, 501 Virginia Street East, Charleston, WV 25301 and Grantees at 1817 Dogwood Drive, Sissonville, WV 25320.
13. This Agreement shall run with the land and shall be binding upon and to the benefit of the Grantor and the Grantees and their heirs, administrators, executors, successors and assigns.
14. This Encroachment Agreement includes the following Exhibits, which are made an integral part of this Lease and fully incorporated by reference:

EXHIBIT A – Map of Survey of City's Right of Way Encroachment Area prepared by Howard D. Brashear, P.E., dated May 10, 2010.

EXHIBIT B – Jay Goldman Letter dated June 12, 2014, on value of property impacted by the Encroachment.

15. As used herein, the phrase "maintenance of the Encroachment" and the term "work" shall include maintenance and repair of any structure acting to retain the street or right of way.

To indicate their consent to the above, the Grantor and the Grantee, or their duly authorized officers or representatives, have signed this Agreement below where indicated.

Re: 1902 Davis Circle

Broker's Opinion of Value

Dear Ms. Runion and Mr. Ellis:

As requested of Robert Runion I have reviewed two surveys for the above property prepared by Howard D. Brashear, P.S. dated May 10, 2000, and William R. Gunnoe, P.S. No. 801 dated May 21, 2014. Both surveyors identified an encroachment from a garage onto the City right-of-way on Davis Circle. These surveys are attached showing the encroachment area which is approximately 3 inches on the Gunnoe survey and 3.15' on the Brashear survey.

I have attached copies of photographs of the subject property which shows the corner in question which is located behind the mailbox with the address of 1902. This garage appears to provide some support to the right-of-way since it is on a downhill side.

I have been asked by Mr. Runion and in consultation with Marc Slotnick, Esq. who is providing legal services for the property to opine about the price of the encroachment.

During the past two years I have done work on behalf of the Charleston Sanitary Board on numerous properties in the Chandler Drive area and specifically on Rayhill Drive which is immediately below the subject property. These rights-of-way are for sewer easements.

It is my position as a real estate broker, and not as a real estate appraiser, that this is an unmarketable piece of property which would have a nominal price of \$1.00 for the acquisition. This would be consistent with findings of the condemnation commissioners in the Charleston Sanitary Board cases.

I have chosen to provide you with a Broker's Opinion of Value, where I receive no fee, and not provide a real estate appraisal since this is a small insignificant amount which would have no bearing on either the Brewer property or the City of Charleston. It would be my opinion that it would best be handled by a quit claim deed for the portion identified in the Gunnoe survey since it is the most recent.

Please advise me if you need additional information.

Sincerely yours,
