Bill No. 7753 - A BILL to amend Chapter 114, Article VII, Division 1, Sections 114-575 and 114-576 of the Municipal Code of the City of Charleston to reassign the authority and responsibility for establishing and managing parking loading zones within the City from the Chief of Police to the Director of the Traffic, Parking, and Transportation Department.

WHEREAS, in an effort to improve the efficiency of the City of Charleston's parking system, the City commissioned a study of the City's parking system; and

WHEREAS, one of the recommendations from the parking study was that parking loading zones be authorized and managed by the Traffic, Parking, and Transportation Department rather than the Police Department; and

WHEREAS, the City administration, in consultation with the Chief of Police and the Director of the Traffic, Parking, and Transportation Department, has decided to implement this recommendation from the parking study;

Now, therefore, be it Ordained by the Council of the City of Charleston, West Virginia:

That Chapter 114, Article VII, Division 1, Sections 114-575 and 114-576 of the Municipal Code of the City of Charleston is hereby amended as follows:

Sec. 114-575. - Procedure for establishment of loading zones; conditions governing; loading zone record.

(a) The chief of police Director of the Traffic, Parking, and Transportation Department shall have authority, in the manner provided in this section, to establish and lay off loading zones upon the streets of the city.

(b) Loading zones may be established by the chief of police Director of the Traffic, Parking, and Transportation Department upon approval by the city council traffic committee. Such zones shall be for the sole purpose of providing on-street facilities for the loading and unloading of commodities and equipment in the conduct of business and where no adequate off-street loading facilities are available.

(c) The chief of police Director of the Traffic, Parking, and Transportation Department, with the approval of the city council traffic committee, may, with respect to the establishment of any such loading zone, prescribe limitations as to curb space and the time of day within which such loading zone may be used, which shall be designated by appropriate signs.

(d) Any citizen may apply for the establishment of a loading zone. Such application shall be submitted in writing to the chief of police Director of the Traffic, Parking, and Transportation

Department on a form to be prescribed by him or her and approved by the council traffic committee.

(e) All loading zones established under this section may be abolished by the chief of police Director of the Traffic, Parking, and Transportation Department by and with the approval of the council traffic committee.

(f) Any applicant for the establishment of a loading zone whose application has been denied by the abolition of any such loading zone may appeal such action to the city council, whose action on such appeal shall be final.

(g) The police department Traffic, Parking, and Transportation Department shall keep an accurate record entered in an appropriate book, marked loading zone record, of all loading zones established under this section, showing the date when such loading zone was established, its location, and the special limitations, if any, attached to the zone.

Sec. 114-576. - Permitted uses of loading zones.

No person shall stop, stand or park any vehicle for any purpose or any length of time in any space designated as a loading zone by the chief of police Director of the Traffic, Parking, and Transportation Department under and pursuant to the provisions of section 114-575, except while such vehicle is being used in the business of loading or unloading as provided in section 114-575. In no case shall a lawful stop within a loading zone exceed one-half hour, except where special permission from the chief of police Director of the Traffic, Parking, and Transportation Department has been obtained for such extension. Any vehicle stopping, standing or parking in a loading zone established by the chief of police Director of the Traffic, Parking, and Transportation Department pursuant to section 114-575, for any purpose other than loading or unloading as provided in section 114-575 of this Code may be impounded by the police department pursuant to the provisions of section 114-552.
