F. Utilities

City shall pay all utilities at the Premises. Tenant understands and is aware that all utilities and services shall be furnished to the Premises by third parties and Tenant covenants and agrees that City shall not be liable or responsible for any damage on account of the failure at any time of the third parties to supply such utilities and services due to strikes, lockouts, boycotts, labor disturbances, accidents, inclement weather or any other causes beyond City's control, or by virtue of any direction, order or regulation of any Federal, State, County, City, or local authority.

To accommodate inflation and increases in costs, at the request of City, Tenant shall obtain increased amounts of public liability coverage based on amounts ordinarily obtained by organizations providing similar services.

Tenant shall have in full force and effect all risk coverage for the full value of all of Tenant's equipment, trade fixtures, furnishings and all items of personal property which may be in or upon the Premises. Tenant shall pay all of the premiums therefor and shall deliver such insurance policies or certificates thereof to City. Each insurer mentioned herein above shall agree, by endorsement on the policy or policies issued to Tenant, or by independent instrument furnished to City, that it will give City thirty (30) days written notice before any policy or policies of insurance are altered or canceled. Tenant shall not assign or sublet this Lease or any right or privileges hereunder, in whole or in part, without first obtaining the express written consent of City. If Tenant assigns or sublets this Lease without first obtaining the express written consent of City, it shall be considered a breach of this Lease, but shall not relieve Tenant in any way of Tenant's obligations under this Lease.

J. City's Right to inspection

Tenant shall allow City or its employees, agents or representatives free access to the Premises including, but not limited to, the portions of the Premises occupied and used by Tenant, and any improvements thereon, during reasonable hours for the purpose of examining the same to ascertain if the same are in good repair and condition. Moreover, at City's sole will and discretion, City shall have access to the Premises including, but not limited to, the portions of the Premises occupied and used by Tenant to make repairs or alterations to the Premises provided that City does not unreasonably interfere with Tenant's use of the Premises. Such inspection, however, shall in no way obligate City to make any such repairs under this Lease. City shall have the further right to show the Premises including, but not limited to, the portions of the Premises occupied and used by Tenant, and any improvements thereon, to prospective occupants during the period of ninety (90) days before the expiration of the term of this lease.

Tenant hereby assumes all responsibility and legal liability for bodily injury to, and loss of use or destruction of any property of Tenant or any third party, including, but not limited to agents, employees, guests, students, clients, licensees, program participants, invitees, or customers of Tenant caused by or arising out of any defects in or conditions of the Premises or improvements on the Premises now existing or hereinafter existing, including, without limitation, all sidewalks, walkways or parking areas adjacent or appurtenant to the Premises. This paragraph is intended to encompass all defects to or conditions of the Premises or improvements on the Premises and adjacent ways including, but not limited to, those conditions caused by fire, water, explosion, wind, snow, ice or other casualty.

To the full extent permitted by law and as between Tenant and City, Tenant shall be solely responsible for any and all claims, demands, or actions, together with all costs, expenses and liabilities incurred or in connection with each such claim, demand or action, including without limitation, all reasonable attorneys' fees and expenses, with respect to damage, injury or death made by or on behalf of any person or entity, arising from any act or omission, negligence or willful misconduct of Tenant or of Tenant's principals, officers, agents, contractors, servants, employees, licensees, program participants, and invitees, or arising from or in connection with: (i) the conduct on or management of the Premises or of any business therein by Tenant, or any work or thing whatsoever done by Tenant, or any condition created or caused by the negligence or willful misconduct of Tenant, in or about the Premises, during the term of this Lease; (ii) the willful misconduct or negligence of Tenant or any of its subleasees or licensees or its partners, directors, officers, agents, affiliated entities, employees, program participants, invitees or contractors; (iii) any accident, injury or damage occurring in, at, or upon the Premises resulting from the negligence or willful misconduct of Tenant, regardless of the location in which such damage, injury, or death occurs, including, but not limited to, slips, trips, falls, or other accidents, personal injury or property damage of any kind; and (iv) any breach or default by Tenant in the full and prompt payment and/or performance of any and all Tenant's obligations under this Lease. The obligations of Tenant under this paragraph shall survive termination of this Lease.

L. Nondiscrimination

Tenant shall assure that use of the Premises occupied by Tenant will be open to all, in accordance with federal laws and regulations, state laws and regulations, and Codes and Ordinances of the City (collectively the "Nondiscrimination Laws"), and that all contractors and subcontractors engaged in the construction of any Tenant-owned improvements shall provide an equal opportunity for employment under the Nondiscrimination Laws.

As some space is shared by City, Tenant agrees that, if it may come into contact with any papers or other information relating to City's business, the papers or other information is the property of the City and is to be treated as confidential. Said documents shall neither be copied nor shared with any party.

ARTICLE 4. TERMINATION

A. Termination

City or Tenant may terminate this Lease without cause by giving thirty (30) days written notice of termination to the other party.

This Lease may be earlier terminated for cause by City for any of the following reasons:

1. Upon the breach by Tenant of any covenant or other term or condition of this Lease; provided that City shall provide Tenant with written notice of such breach, and provide Tenant ten (10) days to remedy said breach to the satisfaction of City. No notice of breach by City shall be required for a recurring breach for which Tenant has received a previous notice and period to remedy; or
2. If any warranty or representation made by Tenant is untrue in any material respect ; or
3. Upon Tenant's becoming insolvent or upon commencement under the Bankruptcy Act of any similar proceeding either voluntarily or involuntarily; or

C. Remedies Cumulative; No Ongoing Waiver

No remedy conferred upon or reserved to the City hereby or now or hereafter existing at law or in equity or by statute, shall be exclusive but shall be cumulative with all others. Such remedies are not mutually exclusive and no election need be made among them, but any such remedy or any combination of such remedies may be pursued at the same time or from time to time so long as all amounts realized are properly applied and credited as provided herein. No delay or omission to exercise any right or power accruing upon any breach shall impair any such right or power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient by the City. In the event of any express waiver of a breach hereunder, the parties shall be restored to their former positions and rights hereunder, but no such waiver shall extend to any other or subsequent breach or impair any right arising as a result thereof.

D. Attorneys' Fees and Other Expenses

If, as a result of the breach by Tenant of any covenant or other term or condition of this Lease, City incurs expenses for the enforcement of performance or observance of any obligation or agreement on the part of Tenant, including, but not limited to, reasonable attorney's fees, Tenant will, on demand, reimburse City such reasonable expenses so incurred.

If, however, the Premises should be damaged or destroyed by any cause so that City shall decide to demolish or to completely rebuild the Premises, City may, within sixty (60) days after such damage or destruction, give Tenant written notice of such decision and thereupon this Lease shall be deemed to have terminated as of the date of such damage or destruction and Tenant shall immediately quit and surrender the Premises to City.

D. Eminent Domain

In the event a taking of the Premises by eminent domain occurs that renders the Premises unusable for Tenant, Tenant shall have the right within ten (10) days after receiving notice of the taking to terminate this Lease by written notice to City of Tenant's intention to terminate.

4. **ADMINISTRATION OF GRANT FUNDS; AGENCY RESOURCES:** Each of the participating agencies shall cooperate with the grantee concerning the administration of grant funds awarded from DCJS or other entities and in the overall operation of MDENT. Additionally, each participating agency will provide whatever resources are available to that agency, in the reasonable opinion of its Chief Law Enforcement Officer or designee, to specific cases as appropriate and as approved by the Control Board to facilitate efficient and effective investigation of same,.

5. **AGENCY WITHDRAWAL FROM OR APPLICATION TO MOU:** Participation in the multi-agency investigative efforts of MDENT is voluntary. If a participating agency desires to withdraw from this MOU, written notification of such withdrawal will be provided to each participating agency thirty days prior to withdrawal. Such withdrawal does not absolve the participating agency of any financial responsibilities incurred prior to the withdrawal. Additional agencies wishing to become members of MDENT may do so upon written application to and approval by the Control Board. Such new agencies must execute an addendum agreeing to the terms of the MOU in effect at the time of approval by the Control Board.

6. **COMPLIANCE WITH FEDERAL GUIDELINES:** Participating agencies agree to follow procedures relating to case management, reporting requirements, fiscal guidelines, and other appropriate policies as adopted by the Control Board and that are consistent with the Anti-Drug Abuse Act of 1986, subtitle K – State and Local Law Enforcement Assistance Act of 1986 and/or the Policy Board and DCJS.

Grantee's retention of any such equipment or property will be made in accord with established policies and practices set by the Policy Board and the DCJS. It is further agreed that participating agencies may request use of this equipment and property, consistent with each agency's guidelines, at any future time so long as such request or use does not inconvenience or otherwise negatively impact grantee.

8. **REAL PROPERTY PURCHASED, OWNED, OR LEASED FOR THE USE AND BENEFIT OF MDENT:**

- a. If any real property is purchased by one of the participating agencies on behalf of MDENT to be used as office space or any other MDENT purpose, such purchase will be paid for with Operating Account funds.
- b. Any real property so purchased, donated, or leased for the use and benefit of MDENT as office space or other MDENT use, will be maintained with Operating Account funds. The Control Board shall have the oversight and responsibility of making the timely loan, lease, or other payments on the property, paying for all repairs and improvements, utilities, taxes, fees, insurance, and all other costs associated with the real property including any improvements thereto and/or appurtenances thereof. If at any time there are insufficient funds in the Operating Account for these expenses when due, such expenses will be shared by the participating local agencies in MDENT at the time such expenses are incurred. Each local agency will be responsible and liable for an amount equal to the amount of the shortfall divided by the number of local agency officers assigned to MDENT multiplied by the number of officers each local agency has assigned at the time of the shortfall.
- c. If any real property owned for the use and benefit of MDENT is sold, the proceeds shall either be used to secure other office space for MDENT or placed in the Operating Account.
- d. If at any time MDENT is dissolved, any real property owned for the use and benefit of MDENT shall be sold. The proceeds will be placed in the Operating Account and the funds will be handled as set forth in paragraph number ten (10) of this MOU.

9. **PUTNAM COUNTY OFFICE:** The Sheriff of Putnam County agrees to provide office space in the Putnam County area for the assigned PCNEU members of MDENT. All costs relating to the provision of that space and operation shall be either

the responsibility of the PCSD or the PCNEU. Notwithstanding paragraph 8 herein, should the PCNEU be dissolved, any funds remaining in accounts that it oversees after all applicable financial responsibilities of the PCNEU have been met, shall be provided to the PCSD. Further, if there are insufficient funds in those accounts to cover the obligations of the PCNEU at the time it is dissolved, they will become the sole responsibility and liability of the PCSD.

10. MDENT DISSOLUTION: In the event that MDENT is dissolved, the Control Board will ensure that all applicable financial responsibilities of MDENT are paid from the Operating Account. Any remaining balance in the Operating Account after all financial responsibilities are met shall be distributed to the local agencies participating in MDENT at the time of its dissolution. If there are insufficient funds in the Operating Account to satisfy all financial responsibilities or liabilities, any remaining financial responsibilities and liabilities will be divided among these same local agencies. The formula for the distribution of assets or liabilities shall be the total applicable amount divided by the number of local agency officers assigned to MDENT multiplied by the number of officers each local agency has assigned at the time of dissolution.

11. SALARY, BENEFIT, AND OVERTIME REIMBURSEMENT:

- a. Reimbursement to local agencies for officers assigned to MDENT will be made for base salary and benefits as set by the Policy Board, but such reimbursement shall not exceed \$28,000. Unless specifically authorized by grant award, reimbursement will not be made for overtime earned by officers assigned to MDENT.

- e. Any AHIDTA overtime funds awarded for compensation shall be reimbursed in accordance with the policies and guidelines of that program.

12. FORFEITURES: Forfeitures will be administratively processed by the grantee. Cash, either directly forfeited or secured by the sale of real or personal property, will be maintained in the Operating Account until spent for MDENT purposes or distributed to the local agencies consistent with this MOU. The following terms are applicable to such forfeitures and distributions:

- a. Forfeitures may be utilized as approved by the Control Board to meet MDENT's stated purpose.
- b. Forfeitures conveyed to local agencies through equitable sharing are to be utilized for law enforcement purposes only, consistent with federal and Policy Board forfeiture guidelines.
- c. The Policy Board sets a required minimum percentage of forfeited funds, less administrative costs, that must be used to cover the day-to-day operations of a drug task force during each grant award period. For the term of this MOU the Policy Board has MDENT's minimum percentage at forty (40) percent. The Policy Board also permits each drug task force to establish a percentage greater than the set minimum. As of January 1, 2003, the Control Board established a minimum of fifty (50) percent of all monies secured as a result of forfeitures, after administrative costs have been removed, be held in the Operating Account to be used for day-to-day operations, with the remaining fifty (50) percent to be distributed among the local agencies as consistent with Paragraph (12)(f) of this MOU.
- d. Real or personal property forfeited to MDENT that cannot be directly used to meet the stated purpose of MDENT will either be sold by an "open bid" process or disposed of in a manner approved by the Control Board in accordance with established federal and Policy Board guidelines for such forfeitures. Any monies secured by the sale of such property will be distributed as set forth in paragraph twelve (12)(f) of this MOU.
- e. The participating Federal Agencies do not to receive any share of assets secured by direct forfeiture or by an "open bid" sale in most state and local cases. In any case where a Federal Agency elects to receive a share of the forfeiture, the Federal Agency will deduct its share from the total forfeiture and the remaining amount will be distributed to MDENT and the participating local agencies consistent with section 12(f) of this MOU.
- f. Forfeited funds shall be distributed as follows:

1. 50% of all forfeited funds, after payment of any administrative costs, shall be deposited in the Operating Fund. The remaining amount will be distributed to each local agency participating at the time of the seizure by dividing the total applicable amount by the number of local agency officers assigned to MDENT at the time of the seizure multiplied by the number of officers each local agency has assigned at the time of the seizure, not including any officers assigned to the Interdiction Team.
2. For seizures made by the Interdiction Team, 50% of all forfeited funds, after payment of any administrative costs, shall be deposited in the MDENT Operating Fund. The remaining amount will be distributed to each local agency which have officers assigned to the Interdiction Team at the time of the seizure by dividing the total applicable amount by the number of officers assigned to the Interdiction Team at the time of the seizure multiplied by the number of officers each local agency has assigned to the Interdiction Team at the time of the seizure.
3. Additionally, during joint interdiction operations conducted between members of MDENT and the PCNEU members of MDENT, after payment of any administrative costs, 50% will be retained by MDENT and 50% will be shared with the PCNEU office of MDENT, regardless of the jurisdiction in which the seizure was conducted (Established at MDENT Board Meeting in May 2014). Of the MDENT share, 50% will be deposited in the MDENT Operating Fund, and the remaining amount will be distributed to each local agency consistent with the guidelines adopted by the Control Board at its December 2010, meeting.

14. REPLACEMENT/REMOVAL OF OFFICERS ASSIGNED TO MDENT:

- a. All employing agencies will allow officers assigned to MDENT to complete all material assignments prior to the officer's removal from, or replacement on, MDENT, unless conditions involving willful misconduct or other extenuating circumstances exist which would adversely affect MDENT operations and/or reputation if such removal is delayed.
- b. If any MDENT officer engages in misconduct, conduct unbecoming an officer, or any activity which requires an administrative investigation to determine the propriety of disciplinary action, the employing agency shall be solely responsible for any and all disciplinary action. The Task Force Commander shall immediately notify the Control Board members and the employing agency of any such behavior of which he or she becomes aware. Notwithstanding, the Control Board may remove any officer from MDENT upon reasonable belief that the officer engaged in misconduct, conduct unbecoming, or any other improper behavior or of activities. The parties to this MOU further agree that each employing agency shall be solely responsible for providing workers compensation coverage and unemployment coverage to each and every officer assigned to MDENT by that employing agency.
- d. Each employing agency shall maintain liability insurance coverage in an amount of at least \$1,000,000 to satisfy the liability obligations herein related to claims arising from the alleged negligent, acts, omissions, and/or wrongdoing of its officers/employees assigned to MDENT, and such insurance policy shall include coverage for damage to the assigned officer/employee's vehicle and claims resulting from the assigned officer/employee's operation thereof, regardless of which agency actually owns the vehicle. In other words, and by example only, each agency shall be responsible for insuring, defending against and paying every claim or civil liability arising out of the conduct of its officer/employee, regardless of where the incident giving rise to the claim or civil liability arose and regardless of who owned any vehicle or equipment involved. Provided: That the parties recognize that the Federal Tort Claims Act shall be applicable to all liability issues relating to the actions of the officers assigned to MDENT from federal agencies.
