Small Business Investment Grant Program

Fall 2021 - GUIDELINES AND APPLICATION

Small Business Investment Grant Program Fall 2021 - Grant Guidelines, Requirements & Application

The City of Charleston has created a special Small Business Investment Grant program to aid small businesses and merchants in the community. The grant program is intended to incentivize and motivate small business owners to:

1. repair/renovate a building's exterior and make physical enhancements in a manner that keeps with the historically appropriate feel of the respective surrounding area.
2. improve the small business making it more attractive for current and future customers; or
3. enhance a small business's marketing and customer service capabilities via e-commerce, web development, social media marketing, etc.

Grant Program Overview

1. Under this program, an eligible small business in the City of Charleston is defined as having no more than 35 employees (FTE) and no more than \$2 million in annual gross revenues.
2. An application must be for a small business located in the city limits of Charleston.
3. A total of \$150,000 in grants will be awarded as part of each of the three phases of this program, and grant awards may be prioritized based on documented opportunities to grow a small business's profitability and enhance sustainability.
4. The maximum annual grant award for any one business is \$10,000. Grant funding will be provided on a reimbursement basis, and all grant awards must be matched by 25%.
5. An applicant must submit a written request summarizing the original budget, previously received funds and a brief description of the project and its benefits.
6. This is a competitive grant. A scoring review group will receive and consider all grant applications. The group will make a limited number of awards based on established program objectives, scoring criteria and total allotted funds.

7. Grant applications will be scored based on completeness of application, project's relevance to enhancing the small business's growth and sustainability and outlined benefits to the city of Charleston.
8. Grant funds will be issued once the approved project is completed and sufficient project documentation is reviewed and accepted.

Grant Project Activities

An application must outline one of three project activities:

1. Construction / Repair / Equipment Projects: These projects are defined as any outward facing surface of a building visible from street level, any exterior elevation impacting a public space or right-of-way or any significant interior projects. Elements eligible for funding are:

- | | | |
|---------------------|------------------------|------------------------------|
| • Doors | • Stairs | • Painting |
| • Windows | • Roof | • Siding Repair |
| • Framing | • Fences | • Stucco Repair |
| • Kick Paneling | • Tile/Flooring/Carpet | • Removal of Retaining Walls |
| • Entryway Ceilings | • Signage | • Ramps/Lifts |
| • Exterior Lighting | • Awnings | • Equipment |
| • Cornices | • Masonry Repair | |

2. Demolition Projects: A demolition project must include a contract outlining work to be performed, rehabilitation of affected property and prior review and approval from all necessary city agencies, including any applicable state and city historic preservation reviews.

3. Broadband Connectivity or Marketing & Advertising Enhancement Project: This project shall be a one-time need and must include a description of service specifications and an explanation of how this will benefit the small business in its operations, web development, e-commerce/marketing, customer service, etc.

Grant Stipulations

All applicants must be registered and in good standing with the City Collector's Office. (If you have questions regarding your status please call the City Collector's office at 304-348-8024.)

General Design Considerations for Construction / Repair Projects:

- The visual prominence of the building and its location;
- The aesthetic quality and historic accuracy of the design proposal;
- The potential impact on the attractiveness of the city streetscape;
- The particular building, and the economic development of the designated project area;

- The comprehensive approach of the design and the long-term maintenance plan; and
- Grant monies or matching monies shall not be used for foundation and structural work, administrative/operational costs or inventory purchases.

Where applicable, proposed designs must comply with a CURA district Renewal Plan of the City of Charleston and must be approved by the City.

All storefronts and lighting shall be designed, constructed and maintained to complement and accentuate the architectural features of the building. All accessories, signs and awnings shall likewise harmonize with the overall character of the building and the area around it.

Construction/remodel/demolition projects must be approved and have appropriate building permits before work can be commenced. Work started prior to receiving a written grant award notice will not be included in the reimbursement.

Upon request for the grant funding distribution, an applicant shall provide a listing of applicable expenses/contract work and before and after photos of the project.

The Grantee must provide proof of financial match.

The applicant may be the property owner or a tenant. If a tenant, you must submit the property owner's signed consent (see attached form).

If project work has not commenced within six months of a grant award, the award will expire. Moreover, if any project is not complete within one year of a grant award, the grant will expire.

By submitting an application, the applicant grants permission to the City to take and use before and after photos of the project for publicity, educational and promotional use. Each business receiving a grant agrees to allow the city to publish its name and any photos acquired as part of media and promotional activities.

The completed project must be left in its approved design and colors for a period of two years from the date of completion, or as otherwise agreed up between the grant recipient and the City.
