

2025

SPECIAL EVENT BOATING REGULATION OVERNIGHT MOORING

Overnight mooring of boats at Haddad Riverfront Park will be permitted to license holders beginning with Live on the Levee on June 26, 2025, and ending on Monday, July 7, 2025 at noon.

Unattended boats are not permitted to be moored overnight and may be towed at the owner's expense. This provision will be strictly enforced.

Exceptions may be made for Sternwheelers who are invited to attend the Regatta. Space for overnight mooring is limited and will be available on a first come basis.
