## Charleston

WEST VIRGINIA

## ACCESS TO GREENBRIER STREET, OAKRIDGE DRIVE, HILLCREST DRIVE

**WHAT:** Access to and from Greenbrier Street will be impacted by the USA Cycling Pro Road National Championship Road Races

**WHEN:** SAT, MAY 24    SUN, MAY 25    MON, MAY 26

**ACCESS:** A contraflow lane(-----) will allow two-way traffic on Greenbrier Street, between Washington Street and Oakridge Drive.

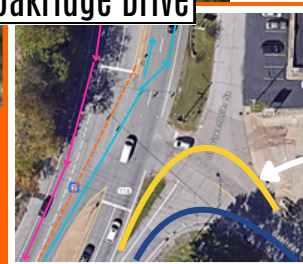

- The speed limit will be reduced to 25 MPH.
- CPD will direct traffic at all of the starred locations on maps.

CPD will direct traffic at Hillcrest Drive & Greenbrier Street. There may be times when traffic exiting and entering will be routed northbound (toward airport) to turn around and come back down Greenbrier Street.

Hillcrest Drive

Oakridge Drive

Due to the placement of fencing, access is limited, and will be at the direction of CPD.

The fencing is a safety precaution that helps protect both the cyclists and traveling public.

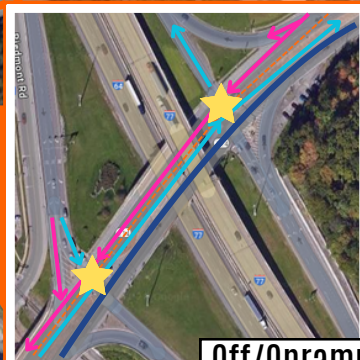

Traffic **exiting** Oakridge can do so toward Greenbrier Street OR Wertz Avenue

Greenbrier Street traffic needing to **enter** Oakridge Drive will use the following routes:

Northbound traffic will be routed to Rutledge Road >> Bakers Fork >> Oakridge

Southbound traffic will be routed to Washington >> Sidney >> Piedmont >> California Ave >> Washington E >> Washington >> Wertz >> Oakridge

Off/Onramps

Washington St Intersection
